### CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. These are only conditions under which bids will be received.

Coins and medals are sold at so much per PIECE, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

for the first time, must give bank or other reliable reference, or their bids

Auction sales are strictly for cash. Parties unknown to me and bidding will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Priced catalogue of this sale sent for \$1.50 cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. THOMAS L. ELDER.

**KINDLY READ THIS PREFACE.**

**SALE OF A LARGE AND IMPORTANT COLLECTION OF WEAPONS,  
RARE COINS, MEDALS, PAPER MONEY CURIOSITIES,  
GEMS, JEWELRY, ETC.**

It pleases me to present in this catalogue the Best Collection of Antique Pistols and Weapons that has ever been offered in my sales. The Lot includes several hundred distinct varieties of Weapons, with many Rare or Scarce.

Besides the weapons, the sale contains an unusually interesting lot of Old and Rare Coins, Medals, Tokens, Paper Money, Postage Stamps, Jewelry, Gems, Curiosities, Etc.

The Coins include special issues, such as the broad Five Ducat Gold piece of Frederick III, of Denmark, Gold Coins of the Balkan States, a Remarkable Collection of over 100 Different Original Medals of Napoleon Bonaparte, with many in silver; Rare Foreign Silver Crowns and Double Crowns, Choice Foreign Copper Coins, Rare Military Medals of the American Revolution, Mexican, Civil and Spanish-American Wars, a Silver Presidential Life-Saving Medal, Rare American Gold Coins, With a Three Dollar Piece of the Dahlonega Mint, a Confederate States Cent, and an attractive lot of Colonial, United States and Confederate Paper Money, Broken Bank Bills, Babylonian Seals and Tablets, Egyptian Scarabs, Miniature Books, and other objects. In fact, the sale contains something of interest to almost all classes of collectors, and the catalogue will repay a careful examination.

It is believed a large number of bidders will be attracted. Those living at a distance, who cannot attend the sale personally, who are unknown to me, are asked to give good bank or other reference. To those furnishing satisfactory reference, the goods will be sent at the close of the sale, otherwise a partial cash deposit must be sent with the bids.

Be sure and read the terms of the sale, in the forepart of this catalogue, before bidding. Bids are made by the Piece. This fact is important, and some overlook it at every sale.

A priced catalogue of this sale sent on receipt of \$1.50.

On account of the great number of weapons in the first session, the sale on the first day will commence at 1 P. M. The second session will be started at the usual time, 1.30 P. M.

**ORDER OF SALE.**—On Wednesday, Dec. 15th, Lots 1 to 882, inclusive will be sold.

On Thursday, Dec. 16th, Lots 883 to end of catalogue.

Do not forget that I catalogue and sell Coins, Medals, Weapons, Etc., at Public Sale, and am ready to catalogue your collection or duplicates. Write me for terms. I have a mailing list of 1500 live collectors.
